Strato-Flite	Williams	4	1974	CALL	9	6+	8
Wizard!	Bally	4	1975	1,350	8+	7+	8+
Zip-A-Doo	Bally	2	1970	625	9	8+	8+

Price includes delivery, setup, and warranty except as noted. Delivery outside the Salt Lake Valley is extra. The warranty lasts 30 days and covers labor and parts. Of course, the warranty cannot cover abuse. All working machines have new rubber rings and are in good working condition. Documentation (manuals & schematics) is provided where possible.

Machines are set on free play so no coins are required. If you would like to use coins, working coin chutes with mechanisms cost \$35.00 each. Most machines we can set up to take nickels, dimes, and/or quarters. Some machines may be limited as to whether they can take any or just certain coins due to limited availability of parts.

Machines sold outside the local area are sold 'as-is' and have *no* warranty, and the buyer is responsible for shipping. For such sales the machine is deemed to be in good working order before shipping, and Mr. Pinball is *not* responsible for damage during shipping. Reliable insured shipping is available from several sources, most being priced around \$275.00 to \$400.00 for shipping anywhere in the continental USA.

Mr. Pinball cannot promise what will be available next week, however we can hold a machine for you if you put 10% down plus 10% for each 30 days to hold. This allows you to purchase a machine and have it held until you can afford it and are ready to take possession. Canceling or changing which machine you buy forfeits 10% of the purchase price. Holding a machine for more 30 days after fully paid for requires a \$50.00 per month storage fee.

\*Price may be much higher if game is fully restored.

If you purchase a machine and later decide you would like to trade it in for another, you pay the difference between the value of your current machine and the machine you want. The minimum cost for trading is \$200.00.

If you are interested in seeing the machines (playing them) or the details on any machine (condition, features, etc.) let us know.
