

## ARCHERY FOR EVERYONE

### YOUTH LESSONS - 6 to 18 years old

Salt Lake Archery offers archery lessons for kids on Monday, Tuesday & Wednesday evenings. For a small fee of \$7.50, kids receive equipment, shooting time and instruction by certified archers.

Our beginning class on Monday and Wednesday nights is limited to 10 students, so we recommend you call ahead. It goes from 6:30 to 7:30 for the beginner class and from 7:30 to 9:00 for the immediate class.

### PRIVATE LESSONS

Private lessons for adults or youth can also be arranged. The cost is \$25.00 an hour which includes all equipment and range fees.

Call for an appointment.

### SCOUT MERIT BADGES

Scouts can do everything they need to do in order to get their merit badges at Salt Lake Archery. We build arrows, learn about building strings and shoot. Merit badge classes are by appointment only. The cost is \$7.50 for each session. One session is to build the arrow and string and one shooting session. (Additional shooting sessions, if necessary, are \$7.50 each).

### JUNIOR OLYMPICS

Salt lake Archery also sponsors the Utah Hot Shots; a Jr. Olympic Club which is affiliated with the National Archery Association. Our members range in age from 6 to 17. We have both boys and girls in our club and both recurve and compound shooters.

The Jr. Olympic program is designed both to teach archery and to provide competition for archers who want it. Archers progress at their own levels, earning patches as they shoot higher scores. For those who want to be more competitive, tournaments are offered at club, state, regional and national levels.

Many of the Hot Shots shoot during the Monday and Wednesday classes, but we do classes just for them on Friday evenings. The younger kids shoot from 9 meters from 6:30 to 7:30; the older kids shoot from 7:30 to 9:00.

To join the Hot Shots there is a one time fee of \$75.00 (for NAA membership, a club shirt and pin, and a parent's book). The cost is then \$7.50 per session, with discounts for kids who want to do a lot of shooting.
